www.southhillsareaymca.org
& register for more information.**

YMCA has designed the YMCA Indian Guides and YMCA Indian Princess Programs for Boys and Girls in grades K-3 and their Father figures to spend time together during a crucial point of social development. Along with the company of other Dads and their children, you can see the magic of "Time with Dad" work with your child. We encourage you to contact the South Hills YMCA staff at (412) 833-5600 or meet our volunteers at one of the above listed meetings to discover why the Guides and Princess Programs are some of the most successful programs at the YMCA.
